

City Government

Historic Downtown Falmouth: A stroll through our quiet, quaint six-block historic district, founded in 1793, reveals several buildings listed on the National Register of Historic Places. The Kennett Tavern, pictured above, is a must see. Located on the corner of the downtown district main intersection, it is the Commonwealth of Kentucky's oldest standing commercial building of Federated architectural construction. The facility has been completely renovated and now serves as the City of Falmouth Municipal Building.
