The St. Luke Hospitals are expanding our services to serve our growing community!

Now in Falmouth:

St. Luke Regional Vascular Institute
 1120 West Shelby Street, Falmouth, Ky.
 John Edwards, M.D., Medical Director
 859-212-4888

Vascular disease can lead to stroke, amputation or even death. Early diagnosis and prevention can save limbs and lives. Now you don't have to drive far to get the experienced vascular care you need.

St. Luke Physicians for Women
 512 S. Maple Avenue
 859-572-3868

Michael Lavender, M.D., and Jill Jones, M.D., are board board-certified obstetricians and gynecologists who can provide a full range of women's services including gynecologic exams and care before, during and beyond pregnancy.
